# Beacon

A very warm welcome to the 2nd half of the summer term and the final few weeks of this academic year. It was lovely to see our children return ready for a wonderful but jam-packed 7 and a half more weeks of learning and fun.

Huge congratulations to our mountain biking superstars! This week 10 of our year 5 and 6 children attended the mid Cornwall interschool bike competition. Our children were incredible and once again gave a tremendous performance, demonstrating true grit, determination and of course great sportsmanship.

### Top story this week

This week our year 4 children have continued with their sailing adventures. Once again, they were treated to the incredible experience learning to sail along the Fowey Estuary with a quick dip thrown in for good fun.

This week we held our annual Royal Beacon Show. The theme this year was 'Celebrating the beauty of Cornwall'. The quality of the entries this year were outstanding. We were overwhelmed by the creativity, talent and hard work of our children. Thank you to everyone who took the time to enter one of our categories. We would like to display the incredible poems and artwork in school. Thank you to our families for donating their cake entries for our cake sale. All the money raised will go towards even more incredible experiences for our children at this year's Beacon Fest! Everyone who entered will receive a special certificate for participating, please see details below of the rosette winners for each category.

Looking forward to next week, on Monday we will welcome Lele Nairne, Olympic judo athlete to Beacon and our reception children are off on a beach adventure. Our year 3 and 5 children have the joy of watching Shakespeare performances at the Hall for Cornwall and Minack Theatre as inspiration for their new stories in English.

Wishing you a wonderful weekend.

Kaye

EYFS 'Highlight of the Week'

#### <u>Nursery</u>

This week in Nursery we have enjoyed the story 'Doug the Bug That Went Boing!'. We have been creating our own bugs using different materials and talking about the different features of our bugs.

#### Pre-School

This week in preschool we have had a delivery of tiny caterpillars. The children have enjoyed watching them move around their little home, eating the special food that will help them to grow and change into butterflies.

#### Reception

This week in Reception we have been immersing ourselves in our next Talk for Writing text, Handa's Surprise. We have been looking at the different animals in the story to draw and then paint them. We have been very careful with our painting and choosing the correct colours.

We have lots to look forward to this half term, starting with our beach trip next week. We can't wait!

KS1 'Highlight of the Week'

#### Year 1

This week Year 1 have learning all about how Shabbat and how it is celebrated in Judaism. As part of Shabbat, challah bread is made and shared. Year 1 made and tasted their own challah bread, we all agreed it was delicious and sweet. We thought about our days of the week and how they differ, we discussed which day is our favourite and why.

#### Year 2

We have had a lot of fun in our science learning this week making great use of our extensive school grounds. We've been on a minibeast hunt and have monitored the micro-habitats that can be found within Beacon. Building on this, we then looked at food chains and how ecosystems are linked and even had a go at making some of our own food chains! Year 2 were great Scientists this week!

Lower KS2 'Highlight of the Week'

#### Year 3

Year 3 have had a brilliant first week back! We kicked off summer term 2 with Art and learning all about block printing and repeating patterns. We learnt all about the history of block printing and some of the artists around the world that made this technique of art so famous. We used them as inspiration to create our very own repeated pattern using block printing techniques like mono-printing and Styrofoam to create our shown patterns/ shapes in our artwork!

Amazing work Year 3!

#### Year 4

Welcome back Year 4 to our final term together. Monday started with an amazing opportunity to explore sonnets, as our writing focus this term is all about Shakespeare.

Children loved this and have been hooked when discussing our new text, Hamlet. Children's knowledge of timetables continues to shine through, and we couldn't be prouder of those children who have now sat their multiplication check (more will follow next week).

Outside of this, it was lovely to see so many children bring in pieces for our Royal Beacon Show as we came together to celebrate how amazing Cornwall is.

Well done Year 4 – keep shining brightly.

Upper KS2 'Highlight of the Week'

#### Year 5

What an incredible and busy week we have had to start our final term together in Year 5. It has been a week of new units and excitement. In writing this week, we have started our character flaw unit – it's been great discussing the different flaws characters might have and we can't wait to head down to The Minack Theatre next Tuesday to watch 'Twelfth Night'. We have started our measure unit in Maths and for History we have been exploring the Benin Bronzes – using different sources to research.

Have a lovely weekend and remember to read.

#### Year 6

This is it – we have started the final term with our Year 6 children here at Beacon. It was so lovely to see everyone back on Monday after their half-term break, and children have continued to shine brightly with everything they have done this week: all children have produced some excellent finished pieces of writing linked to a story about two fishermen and a text about World War II; they have loved exploring the geography behind where are clothing comes from; all of them put 100% effort into our Sports Day practice on Wednesday afternoon; and they all showed a great maturity when discussing relationships in our PSHE this week. Have a lovely weekend everyone.

#### **Cosmonauts**

Welcome back to the second half of the summer term. We have spent this week settling back into our learning routines and bonding with our friends. We are continuing with our 'We're Going on a Bear Hunt' topic this term and have lots of exciting activities to look forward to as well as all our normal summer events including Beacon Fest.

**Attendance Information** 

#### **How is a Penalty Notice paid?**

Penalty notices can be paid by card by calling the office on 01872 324201.

Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

## What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine. If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/ or receiving a custodial sentence of up to 3 months

Cornwall Council may also apply for costs incurred in taking the matter to court.

#### **Attendance Information**

#### **What is a Penalty Notice?**

A penalty notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 10 school sessions/5 days or more within any rolling 10 school week\* period during term time, without authorisation from the school. This can include unauthorised absence for a holiday.
- Unauthorised absence of 10 or more sessions/5 days within any rolling 10 school week\* period where a parent fails to provide an explanation for the absence, or where an explanation is provided but the school consider it insufficient to authorise the absence.
- Unauthorised lateness of 10 school sessions within any rolling 10 school week\* period, whereby a child arrives at school after the registers have closed.

NB a penalty notice can be issued for any combination of the above reasons where there are 10 sessions/5 school days or more of unauthorised absence within any rolling 10 school week period. The unauthorised absence can be consecutive or non-consecutive and can span over two terms (including between academic years).

Or when

- A pupil is observed in a public place during school hours in the first five school days of a period of exclusion from school, without reasonable justification.
- \* a school week is any week in which a school meets at least once.

## Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

#### **How much is a Penalty Notice fine?**

As of the 19th of August 2024, a penalty notice is £80 if paid within 21 days. If the fine is not paid in 21 days, it will rise to £160 if paid within 28 days of being issued.

If a second penalty notice is issued to the same parent for the same child within a three-year rolling period, the fine will automatically rise to £160 with no option to pay the lower rate of £80.

If a parent then commits a third offence in a three-year rolling period, Cornwall Council will need to consider other enforcement optional options available. This could include prosecution under section 444(1) or section 444(1A) of the Education Act 1996. If found guilty a parent would receive a criminal record and substantial fine.

## Penalty Notices are issued per parent, per child.

Therefore, if there are two parents and two children, the fines will total £320 if paid within 21 days or £640 if paid after 21 days but within 28 days (or for a second offence).

### Can a Penalty Notice be paid in instalments?

**No.** Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

## Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

#### **Can a parent appeal a Penalty Notice?**

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on 01872 324298, or email educationwelfare@cornwall.gov.uk

### End of day pickups

We all experience problems from time to time collecting at the end of school day, the long queue, stuck in a traffic jam etc, so if you find the playground empty when collecting your child at the end of the day, please collect them from wraparound - situated in Spaceship class via the Y2 playground.

#### **IMPORTANT**

We continue to be so proud of how well our children are responding to their learning and the progress they are making. In order to do this, it is so important that our children come to school with a positive attitude to learning in the correct school uniform and on time. Please talk to our team if we can help you with any aspect of this.

#### A Polite Request.

If you need to get a message to your child during the school day, please call the main office before 2:30pm to ensure the message is passed on.

### IMPORTANT REQUEST

Can we please ask parents when collecting children from school that you do not park in the bays above the bungalows. We had one resident today that could not park her car near her bungalow and due to being disabled this caused problems for her. Thank you for being respectful to our neighbours.
