

Top story this week

We are so proud of our year 6 children who sat their KS2 assessments this week. Despite the hot weather, they have tackled each day with determination and smiles. We are so incredibly proud of each and every one of them, they are all shining stars! As I write, all I can hear is laughter and j

The children are currently enjoying a mass water fight and slip and slide in this glorious weather, with the celebrations continuing next week when they visit St Ives. Thank you to our families who have given such positive support to the children, school and staff. And of course, huge thanks to the year 6 team and staff who have had the pleasure to teach and work with this wonderful year group.

Next week, the whole school will be taking part in our Ignite Wonder Adventure Week. Throughout the week each year group are taking part in a wide range of exciting and challenging experiences within our school grounds. In addition, each year group will also be heading out to take part in a range of adventurous activities off site including biking, hiking, surfing, zipline, orienteering and much more. It looks like this incredible weather is going to continue, so it's certainly going to be a wonderful way to end this half term.

Wishing you a wonderful sunny weekend.

Kaye

Reception and KS1

	Monday	Tuesday	Wednesday	Thursday	Friday
Reception	Climbing boulder.	Building number bonds in different ways.	Lanhydrock trip.	Lanhydrock trip.	Drop everything and read.
Year 1	Let's count to 20, 30, 40 and 50.	Let's go on an adventure to Polzeath Beach.	How to make an animated book.	Creating repeated patterns in art.	Drop everything and read.
Year 2	New Geography unit: coasts and oceans.	Orienteering & Firepit fun	Bike track and climbing boulder	Adventure Week trip to Badger Forest School	Drop everything and read.

EYFS 'Highlight of the Week'

Nursery

This week in nursery we have been enjoying the story 'Cave Baby'. We have been dancing using scarves and large-scale mark making whilst listening to a range of music.

Pre-School

Our story in Preschool this week was 'Ten Terrible Dinosaurs'. We have been using our careful counting skills to make dinosaur number lines to 10. Our creative activity was to design and make our very own dinosaurs.

Reception

This week we have been learning about sharing and grouping in Maths. We enjoyed the story 'The Doorbell rang' and role-playing sharing the cookies with each other. We have also been making our own cupcakes and sharing them equally with friends and learning how to put a number of objects into a certain amount of groups. We have been very busy! We are very much looking forward to adventure week next week.

KS1 'Highlight of the Week'

Year 1

This week we have been learning about all kinds of different plants and trees. The children went on a plant hunt and found calla lilies, bluebells and tulips. We then created our own planters for our playground; we can't wait to see them bloom and grow. We need to water them and keep them in the sun.

Year 2

Year 2 have had a fun week exploring sculptures in art. We began looking at famous sculptors and then began imitating and creating some of our own work. We made some folded paper sculptures, then moved on to cardboard relief, before creating our final designs out of clay. They are drying as we speak and are looking beautiful!

BeBrave[★] Believe[★] BeBrilliant[★]

Lower KS2 'Highlight of the Week'

Year 3

This week Year 3 have been learning all about the Roman Empire and their invasion on Britain or Britannia as the Roman's called it. We explored the timeline of the Roman Empire and their many attempts to conquer Britain and their reason for wanting too. We have had brilliant fun learning what they did to our country and how some of the things they brought over and made in our country still stand today! Well done Year 3! Have a brilliant weekend and we will see you next week for adventure week! Remember your sunscreen.

Year 4

What another fantastic week we have had in Year 4: children have amazed when writing their own journey tale linked to suspense; they have loved working through their knowledge of mixed numbers in maths; and have done amazingly in our RE topic in the afternoons.

Next week, we are all thoroughly excited about our trip to Rough Tor as part of Adventure Week.
Have a lovely weekend everyone.

BeBrave

Believe

BeBrilliant

Upper KS2 'Highlight of the Week'

Year 5

Year 5 have been brilliant this week; we have made the most of the sunshine and spent as much time as we could outside on the field. We started our geography unit this week; exploring Manchester and doing some map work. In maths, we have been multiplying fractions, everyone has shown great resilience and perseverance. We also finished our art unit where we were carving bars of soap – they looked and smelt gorgeous.

Next week is Adventure Week, keep an eye out for all the fun activities planned and some incredible pictures we will capture.

Have a lovely weekend in the sunshine.

Year 6

Wow. We couldn't be prouder of all the Year 6 children this week. From Monday morning through to Thursday afternoon, every child gave each paper their absolute best and we couldn't be prouder of them.

To finish off the week, we have had a fantastic day today celebrating all the children's hard work. We have played games outside, gone down an enormous slip and slide and had a picnic together on the grass.

Well done year 6. Have a lovely weekend and we will see you all next week for surfing and our trip to St. Ives.

Cosmonauts

It has been busy in Cosmonauts this week. We have made friendships potions and friendship trees in PSHE, created moving bears in art, thought about what happens during the different seasons in science and made rice krispie bear paws in cooking. We have explored lots of learning through being outdoors this week.

Attendance Information

How is a Penalty Notice paid?

Penalty notices can be paid by card by calling the office on 01872 324201. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/ 28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine. If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

Cornwall Council may also apply for costs incurred in taking the matter to court.

Penalty Notices

A guide to Education Welfare Services
for parents and carers

 www.cornwall.gov.uk/togetherforfamilies

Attendance Information

What is a Penalty Notice?

A penalty notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 10 school sessions/5 days or more within any rolling 10 school week* period during term time, without authorisation from the school. This can include unauthorised absence for a holiday.
- Unauthorised absence of 10 or more sessions/5 days within any rolling 10 school week* period where a parent fails to provide an explanation for the absence, or where an explanation is provided but the school consider it insufficient to authorise the absence.
- Unauthorised lateness of 10 school sessions within any rolling 10 school week* period, whereby a child arrives at school after the registers have closed.

NB a penalty notice can be issued for any combination of the above reasons where there are 10 sessions/5 school days or more of unauthorised absence within any rolling 10 school week period. The unauthorised absence can be consecutive or non-consecutive and can span over two terms (including between academic years).

Or when

- A pupil is observed in a public place during school hours in the first five school days of a period of exclusion from school, without reasonable justification.

* a school week is any week in which a school meets at least once.

Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

How much is a Penalty Notice fine?

As of the 19th of August 2024, a penalty notice is £80 if paid within 21 days. If the fine is not paid in 21 days, it will rise to £160 if paid within 28 days of being issued.

If a second penalty notice is issued to the same parent for the same child within a three-year rolling period, the fine will automatically rise to £160 with no option to pay the lower rate of £80.

If a parent then commits a third offence in a three-year rolling period, Cornwall Council will need to consider other enforcement optional options available. This could include prosecution under section 444(1) or section 444(1A) of the Education Act 1996. If found guilty a parent would receive a criminal record and substantial fine.

Penalty Notices are issued per parent, per child.

Therefore, if there are two parents and two children, the fines will total £320 if paid within 21 days or £640 if paid after 21 days but within 28 days (or for a second offence).

Can a Penalty Notice be paid in instalments?

No. Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 324298**, or email educationwelfare@cornwall.gov.uk

At The National College, our [Minecraft](#) primary guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formally delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

What Parents & Educators Need to Know about MINECRAFT

AGE RESTRICTION
PEGI
7

Still the best-selling game of all time, Minecraft is a bastion of creativity and community, with hundreds of millions of players building and crafting in its almost endless world. The popularity of Minecraft among gamers of all ages means it's important to remain informed about the game, including how to play it safely and whether it's suitable for the children in your care. That's why we've created this guide explaining the risks associated with Minecraft and how to ensure a purely enjoyable gaming experience.

WHAT ARE THE RISKS?

SCARY ELEMENTS

While Minecraft can be seen as a kind of 'digital LEGO', certain game modes include creatures accompanied by eerie sound effects. These can be a bit too frightening for some younger players, potentially leading to distressing in-game content and other encounters – although the combat is quite basic and free from any real depiction of violence.

GRIEFING

Some players in Minecraft take pleasure in deliberately damaging or destroying another person's creations. This behaviour, known as griefing, is a form of bullying – it intentionally ruins someone else's experience by erasing hours of their work and forcing them to start over. Many public servers regard griefing as a serious offence and often ban those who engage in it.

ADDICTIVENESS

Minecraft's focus on creativity means that, as with any creative endeavour, it can be easy to get carried away. If your child is finding it difficult to manage their time because they're drawn in by Minecraft's gamified loop of resource gathering and building elaborate projects, it could have a knock-on effect on their social interactions and schoolwork.

PUBLIC SERVERS AND COMMUNICATIONS

With public servers being so easily accessible in Minecraft, it's highly likely that children will end up chatting with strangers through the in-game text chat. Some servers even place an emphasis on social interaction, actively encouraging communication between players. While there's nothing inherently wrong with this, it does carry certain risks. In addition to the concerns around speaking with strangers online, players who host their own servers may have their IP addresses exposed, posing a further security concern.

ADDITIONAL PURCHASES

Minecraft is available as a free trial on a variety of devices; however, the full game requires a one-off purchase, which is typically around £15. After that, players have the option to buy additional cosmetic upgrades or subscribe to Minecraft Realms. Realms is an entirely optional subscription service that allows users to run their own private server to play with friends. Without proper supervision, younger players may end up making unintended or excessive purchases.

Advice for Parents & Educators

CHOOSE THE RIGHT MODE

Selecting Creative or Peaceful mode allows children to play Minecraft without having to contend with enemies. It's a great way for you to get used to playing the game with them, since the difficulty level is far lower. This allows you to work together on a long-term project, creating something special without the threat of enemies and creatures attacking you or damaging your building.

HOST A PRIVATE SERVER

The easiest way to find a safe server for children to play on is to make one yourself. Hosting a server prevents strangers from finding it, unless they've been given the address and password. A private server also lets you control who's allowed to enter and – if necessary – ban anyone who shouldn't be there. This is the closest equivalent to parental controls in Minecraft. Hosting a private server, however, will cost a monthly fee.

TALK ABOUT STRANGERS

At some point in their lives, almost everyone will make contact with a stranger online. Talking to children about online safety, therefore, is essential – as is having a plan for dealing with any hostile or difficult people. It's important that a child knows never to tell a stranger about themselves online and that they should come to you straight away if they do encounter a problem.

RESEARCH CONTENT CREATORS

Much of Minecraft's early stages can be an exercise in frustration for players who don't know where to start. Thankfully, there's a wealth of material out there to help you and your child. But be mindful that some of this content may not be appropriate for children, so you should consider watching it yourself first.

PLAY MINECRAFT WITH YOUR CHILD

As a creative building tool, Minecraft makes it great fun for children to team up and construct vast buildings accompanied by imaginative landscapes, much like working with LEGO or model kits. Playing in a game mode that includes enemies can encourage critical thinking and teamwork; however, you should consider which game mode is appropriate for the child in your care.

Meet Our Expert

Uzayl Coombes is Gaming Editor at the Daily Star, and has worked in games media for more than 6 years. A long-time gaming enthusiast, he is also a parent and therefore a keen advocate of online safety for children of all ages.

Extra notifications

End of day pickups

We all experience problems from time to time collecting at the end of school day, the long queue, stuck in a traffic jam etc, so if you find the playground empty when collecting your child at the end of the day, please collect them from wraparound – situated in Spaceship class via the Y2 playground.

IMPORTANT

We continue to be so proud of how well our children are responding to their learning and the progress they are making. In order to do this, it is so important that our children come to school with a positive attitude to learning in the correct school uniform and on time. Please talk to our team if we can help you with any aspect of this.

A Polite Request.

If you need to get a message to your child during the school day, please call the main office before **2:30pm** to ensure the message is passed on.

IMPORTANT REQUEST

Can we please ask parents when collecting children from school that you do not park in the bays above the bungalows. We had one resident today that could not park her car near her bungalow and due to being disabled this caused problems for her. Thank you for being respectful to our neighbours.
