Beacon

This week has been a glorious end to the first half of the summer term; the sun has certainly made Adventure Week 2025 one to remember.

Our year 6 children had a fabulous post SATs treat visiting St Ives on Monday. They had a wonderful day filled with culture, beaches, ice cream and most importantly some well-deserved fun with their friends.

The weather has ensured that our Ignite Wonder Adventure week has been phenomenal for our children.

Top story this week

The whole school has been taking part in a wide range of adventurous activities across our amazing outdoor spaces. In addition, each year group has also experienced adventurous challenges off site that have focused on developing their resilience, growth mindset and love of the outdoors across Cornwall. Activities ranged from our youngest children biking at Lanhydrock, rock pooling at Polzeath, forest school and bushcraft at Cardinham, fishing at Polly Joke, hiking up Brown Willy, Hang Loose at Eden and surfing at Harlyn. What an incredible week it has been for our Beacon Adventurers!

Our year 4 children have had the opportunity to take part in sailing lessons on the Fowey Estuary. The first group set sail this week, and it really couldn't have been more magical for them. Unfortunately, they were a little bit delayed back due to their boat being surrounded by a pod of dolphins, a truly unforgettable experience for our children watching these incredible creatures in their natural habitat! Wow!

Today you will receive information about our annual Royal Beacon Show which is taking place the first week after the half-term break. The theme this year is 'Celebrating the Beauty of Cornwall'. Once again, we are asking our children to get creative this half term, with lots of categories to choose from.

Yesterday we wished Miss Causebrook a fond farewell as she begins her maternity leave. We will keep you posted with news of her new arrival. We are also sending Miss Brook lots of special wishes for her wedding this weekend!

Wishing you a wonderful half-term break. We look forward to welcoming everyone back for all the fun and excitement that takes place during the final half term of the year.

EYFS 'Highlight of the Week'

Nursery

This week in Nursery we have been enjoying the story 'The Very Busy Spider'. We have been threading to create our own spiders web and making spiders using playdough.

Pre-School

In Preschool this week we have read the story 'Kind'. We have been making kindness bees. We have also made friendship bracelets for the Nursery children by threading coloured pasta onto pipe cleaners.

Reception

All of Reception were incredibly brave during our Adventure Week trip to Lanhydrock. They went around the track on the balance bikes with huge smiles on their faces. They all behaved fantastically and made Beacon very proud!

We hope you all have a wonderful half term break, we cannot quite believe it will be the children's final half term in Reception when we come back!

KS1 'Highlight of the Week'

Year 1

Year 1 have had the biggest adventure this week, we went on the coach to Polzeath beach. It was a super sunny day full of activities. The children did not stop from the time they arrived to when we left again, whether they were building a dam, playing football, making sand angels, building sandcastles or cartwheeling.

Year 2

What a cracking Adventure Week we have had in Year 2! We've been orienteering, had a campfire with roasted marshmallows, we have clambered around the trim trail, and to top it off we had an incredible trip to Badger Forest School in Cardinham yesterday. The children were wonderful and enthusiastic learners, showcasing their excellent den building and fire making skills. Well done Year 2!

Lower KS2 'Highlight of the Week'

Year 3

Year 3 have been amazingly adventurous this week! We have had a different activity every day and every single child has got involved and pushed themselves to try something new. We kicked off the week with orienteering where the children had to locate different numbers plotted around the school site via a map they were given. They worked in teams to collect as many points as possible over a 5-minute period. Following on, Tuesday we had cricket Chris come in for his final session when the children got to play a full game of cricket. On Wednesday, the child got to go on the boulder and Thursday we had our big adventure to Polly Joke beach. At the beach, we did some rock pooling, sandcastle making and fishing in the river. And to finish off the week, we went on the karts. We hope everyone has a lovely half term and enjoys the time off doing fun activities. We can't wait to see you all for your final term in Year 3!

Year 4

What a fantastic week we have had in Year 4 as part of Adventure Week: children made us all incredibly proud when climbing Brown Willy and Rough Tor yesterday; they loved orienteering on Wednesday afternoon when we partnered Year 6; some children excelled this week when being given the chance to sail in Fowey Harbour; and they all really challenged themselves to try new challenges.

Well done Year 4 - have a lovely half-term.

Upper KS2 'Highlight of the Week'

Year 5

Year 5 have been extremely adventurous and brave this week! We have been enjoying the sunshine and incredible opportunities Beacon offers. We started the week climbing the bolder followed by mountain biking. We had an amazing time at Hangloose on Wednesday then on Thursday we were able to use the Go Kart track. We have been having picnics outside, playing on the field, it really has been an incredible way to end summer term 1.

We hope everyone has a lovely half term and enjoys the time off doing fun activities. We cannot wait to see you all for your final half term with us in year 5!

Year 6

What an amazing week we have had in Year 6 as part of our final Adventure Week at Beacon: children excelled when bodyboarding on Tuesday, with many children pushing themselves to try the activity for the first time; they loved partnering with Year 4 children on Wednesday afternoon, when we worked together to solve an orienteering course around the school; they also loved getting the chance to go around the cycle track on Thursday; and who can forget our trip to St. Ives on Monday.

Have a lovely half-term Year 6. Thank you for everything you do.

Cosmonauts 'Highlight of the Week'

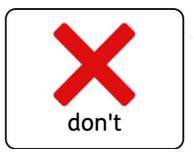

Cosmonauts

What a fantastic week to end the half term. We have thought about how to be kind to our friends and fill each others 'buckets', created bear masks to help us retell the story, explored and made season sensory bottles and cooked 'bear' pizza wraps. We also had lots of fun on the climbing boulder, the trim trail and running around the bike track.

How is a Penalty Notice paid?

Penalty notices can be paid by card by calling the office on 01872 324201.

Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine. If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/ or receiving a custodial sentence of up to 3 months

Cornwall Council may also apply for costs incurred in taking the matter to court.

Attendance Information

What is a Penalty Notice?

A penalty notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 10 school sessions/5 days or more within any rolling 10 school week* period during term time, without authorisation from the school. This can include unauthorised absence for a holiday.
- Unauthorised absence of 10 or more sessions/5 days within any rolling 10 school week* period where a parent fails to provide an explanation for the absence, or where an explanation is provided but the school consider it insufficient to authorise the absence.
- Unauthorised lateness of 10 school sessions within any rolling 10 school week* period, whereby a child arrives at school after the registers have closed.

NB a penalty notice can be issued for any combination of the above reasons where there are 10 sessions/5 school days or more of unauthorised absence within any rolling 10 school week period. The unauthorised absence can be consecutive or non-consecutive and can span over two terms (including between academic years).

Or when

- A pupil is observed in a public place during school hours in the first five school days of a period of exclusion from school, without reasonable justification.
- * a school week is any week in which a school meets at least once.

Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

How much is a Penalty Notice fine?

As of the 19th of August 2024, a penalty notice is £80 if paid within 21 days. If the fine is not paid in 21 days, it will rise to £160 if paid within 28 days of being issued.

If a second penalty notice is issued to the same parent for the same child within a three-year rolling period, the fine will automatically rise to £160 with no option to pay the lower rate of £80.

If a parent then commits a third offence in a three-year rolling period, Cornwall Council will need to consider other enforcement optional options available. This could include prosecution under section 444(1) or section 444(1A) of the Education Act 1996. If found guilty a parent would receive a criminal record and substantial fine.

Penalty Notices are issued per parent, per child.

Therefore, if there are two parents and two children, the fines will total £320 if paid within 21 days or £640 if paid after 21 days but within 28 days (or for a second offence).

Can a Penalty Notice be paid in instalments?

No. Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on 01872 324298, or email educationwelfare@cornwall.gov.uk

End of day pickups

We all experience problems from time to time collecting at the end of school day, the long queue, stuck in a traffic jam etc, so if you find the playground empty when collecting your child at the end of the day, please collect them from wraparound - situated in Spaceship class via the Y2 playground.

IMPORTANT

We continue to be so proud of how well our children are responding to their learning and the progress they are making. In order to do this, it is so important that our children come to school with a positive attitude to learning in the correct school uniform and on time. Please talk to our team if we can help you with any aspect of this.

A Polite Request.

If you need to get a message to your child during the school day, please call the main office before 2:30pm to ensure the message is passed on.

IMPORTANT REQUEST

Can we please ask parents when collecting children from school that you do not park in the bays above the bungalows. We had one resident today that could not park her car near her bungalow and due to being disabled this caused problems for her. Thank you for being respectful to our neighbours.
