

Top story this week

Dear families,

It's really beginning to feel a lot like Christmas here at Beacon! The sound of children singing fills our corridors, rehearsals are in full swing, and the excitement among the children is simply infectious.

Every day, our pupils eagerly await the next surprise behind the doors of our Living Advent Calendar. This week has been packed with festive fun, a Christmas polytunnel disco, a cheerful Christmas quiz, beautiful carol singing, a whole-school flashmob dance, and today, every class created their very own *Elf Yourself* film! Seeing the whole school waiting to see what each day will bring has been wonderful.

On Tuesday, our choir gave a truly sensational performance at St Petroc's Church. We couldn't have been prouder; the harmonies and quality were outstanding. A huge well done to all involved!

It was also fantastic to welcome so many families to our craft workshops. This Beacon tradition never fails to get us all into the Christmas spirit, and the school hall was buzzing with laughter, and festive cheer.

Yesterday our nursery families enjoyed a delightful *Sing and Sign* event, and today our Cosmonaut families joined us for a festive picnic and craft session. What a magical week it has been!

Looking ahead, next week is the final week of the autumn term and we're going out with a bang! Starting Monday, we'll be hosting a series of wonderful festive performances. We can't wait to see you there and watch your children Shine Brightly on stage.

Thursday is Christmas Dinner Day and as always, we're inviting children to wear their festive jumpers and accessories. There will be plenty of treats, a very special visitor, and some surprise friends popping in to spread the joy.

And of course, the excitement continues as we open more doors on our Living Advent Calendar. This time of year, is truly magical at Beacon, and we're so grateful to share it with you.

Wishing you all a wonderful weekend and a joyful festive season!

EYFS 'Highlight of the Week'

Nursery

We have all enjoyed learning to sing and sign our Christmas songs. It was great to see so many parents and to share this with you all at the festive sing and sign workshop on Thursday.

Pre-School

This week in Pre-school we have been creating snowmen by painting and finger printing. We also made a large snowman to decorate our advent door. We have enjoyed watching the advent videos together each morning.

Reception

This week in Reception we have continued to enjoy lots of Christmas activities and practising our nativity which we are really excited to share with all our families next week.

All the children have worked so hard in phonics this half term and have impressed the adults with the progress they have made, we are all very proud!

BeBrave Believe BeBrilliant

KS1 'Highlight of the Week'

Year 1

We've had a busy and exciting week! In science, we've been exploring autumn and how people, animals, plants, and the weather change at this time of year. The children really enjoyed observing the signs of autumn outdoors.

We're also busy preparing for our Christmas show with the Year 2's. The children have been practising their songs and are getting very excited for the festive season.

Year 2

Over the past two weeks, Spaceships and Rockets have been learning how to make glove puppets using felt fabric and thread.

The children have designed their puppets and practised techniques they need to use in the creation of their very own puppet. The children made stick puppets and finger puppets to put on their own puppet show.

Lower KS2 'Highlight of the Week'

Year 3

Year 3 have had an incredibly fun week, celebrating Christmas as well as learning all about the reasons we celebrate Christmas. We have enjoyed watching and taking part in the live advent calendar and cannot wait to see what our final week of 2025 brings. As well as all the Christmas chaos, we have finished our writing unit, explaining 'How to stay safe in the sun'. We have also been practising for our Christmas concert. We are very excited for the final week. Have a lovely restful weekend. See you for more festive fun on Monday.

Year 4

The children have been working hard on their own 'defeating a monster' tales, focusing on describing characters clearly and creatively. They should all feel very proud of their efforts. In maths, they have been completing their learning on addition and subtraction and are now excited to begin multiplication next week!

In the afternoons, the class have been exploring symbols that hold special meaning—especially at Christmas—and even made their own Christingles.

Upper KS2 'Highlight of the Week'

Year 5

We have had a fantastic week, and the children have been amazing in learning our two songs for the church next Tuesday. Alongside this, children have loved learning about Neil Armstrong in our writing lessons and have made a fantastic start to long multiplication in maths.

Next week gives us so many amazing things to look forward to including Christmas performances, Christmas dinner, Christmas parties and class treats.

Have a lovely and restful weekend.

Year 6

In Year 6 this week we have been very busy indeed. We have been beginning to write our tale of fear with a focus on suspense – some of our stories really are terrifying! We have also moved onto our fractions unit in maths and everyone has been working incredibly hard so far.

We have also continued to enjoy our Beacon advent calendar, which this week has seen us complete Christmas quizzes, elf ourselves and enjoy our lucky dip prizes.

This week in Cosmonauts we have been finishing off our innovated 'The Night Pirate' stories and exploring the core words in English. We explored a Christmas magic milk science experiment where we had fun turning the milk into different colored Christmas patterns and in cooking, we made Grinch fruit skewers using grapes, strawberries and bananas.

Penalty Notices

A guide to Education Welfare Services
for parents and carers

www.cornwall.gov.uk/togetherforfamilies

What is a Penalty Notice?

A Penalty Notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 12 school sessions /6 school days or more (within any 100 school session period) during term time, without authorisation from the school, for a holiday for example
- Unauthorised absence of 12 school sessions /6 school days or more (within any 100 school session period) of absence from school, either when a parent fails to provide an explanation, or an explanation is provided but the school consider it insufficient to authorise
- Unauthorised lateness of 12 school sessions /6 school days or more (within any 100 school session period), resulting from arrival at school after the register has closed

NB A Penalty Notice can be issued for any combination of the above reasons, where the unauthorised absence from school results in 12 sessions /6 school days or more (within any 100 session period)

Or, when:

- A pupil is observed in a public place during school hours, in the first five school days of a period of exclusion from school, without reasonable justification

Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

How much is a Penalty Notice fine?

A Penalty Notice carries a fine of £60.00 if paid within 21 days of issue, doubling to £120.00 if paid after 21 but within 28 days.

Attendance Information

Penalty Notices are issued per parent, per child.

Therefore, for example, if there are two parents and two children, the fines will total £240.00 if paid within 21 days and £480.00 if paid after 21 days but within 28 days.

Can a Penalty Notice be paid in instalments?

No. Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 323400**, or email educationwelfare@cornwall.gov.uk

How is a Penalty Notice paid?

Penalty Notices can be paid by card by calling the office on 01872 323400. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine.

If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

Cornwall Council may also apply for costs incurred in taking the matter to court.

End of day pickups

We all experience problems from time to time collecting at the end of school day, the long queue, stuck in a traffic jam etc, so if you find the playground empty when collecting your child at the end of the day, please collect them from wraparound – situated in Spaceship class via the Y2 playground.

IMPORTANT

Please can we remind all parents do not park, during drop off and collection, on the yellow Zigzags outside the school. This is for the safety of your children. Please help us keep our children safe.

A Polite Request.

If you need to get a message to your child during the school day, please call the main office before **2:30pm** to ensure the message is passed on.

IMPORTANT REQUEST

Can we please ask parents when collecting children from school that you do not park in the bays above the bungalows. We had one resident today that could not park her car near her bungalow and due to being disabled this caused problems for her. Thank you for being respectful to our neighbours.
