

Top story this week

Dear Families

The weeks really are whizzing by, aren't they? January can feel like a bit of a marathon, but we hope you all managed to make it through Blue Monday with a smile and are feeling just that little bit brighter as we edge closer to February.

It's been a lively week in school as we launched our spring term extra-curricular clubs.

The corridors have been buzzing with excitement as children dash off to everything from sports and crafts to music and STEM activities. It's wonderful to see so many pupils embracing new opportunities and trying fresh challenges.

Looking ahead to next week, we're very much looking forward to welcoming the families of our Year 3, Year 4, and Year 6 children for the information sessions about this year's city adventures. These experiences are always such memorable experiences, and we can't wait to share all the details with you.

We're also delighted to share that Roving Books will be joining us next Thursday and Friday with their wonderful book fair. In conjunction with the National Year of Reading this is always a highlight for the children, and we're thrilled to offer such a wide range of books for them to enjoy and for our class libraries to grow even further. We'll be opening our doors for families to pop in with their children to browse the selection together. It's a lovely chance to discover new stories side by side.

Wishing you all a wonderful weekend when it arrives.

EYFS 'Highlight of the Week'

Nursery

This week in Nursery we have continued with the story 'Whatever Next!'. We have been developing our motor skills with the playdough and making big stars and small stars comparing sizes.

Pre-School

We have been enjoying the story 'A Snowy Night'. We have been talking about the different animals and learning about how some animals hibernate. We have been doing an animal dance in the mornings for wake and shake.

Reception

This week in Reception we have continued to immerse ourselves in the story 'The Three Little Pigs'. We have made our own wolfs and pigs using creative skills. We have worked together to retell the story in the storytelling tuff spot. Finally, we have used our oracy skills to talk about what we like and dislike in the story and discuss any patterns or connections.

KS1 'Highlight of the Week'

Year 1

We have had another incredibly busy yet exciting week. This week, the children have been immersing themselves in the history of Cornwall as part of our latest RE unit. They have been learning about sacred and special places across Cornwall linked to the Christian faith, including connections to St Piran. Alongside this, the children have explored Cornwall's rich history, discovering how tin and other historical industries were developed and how these have played an important role in shaping Christian beliefs and traditions across Cornwall. It has been wonderful to see the children so engaged and enthusiastic about their learning.

Year 2

What a wonderfully fun time we have had in Year 2 this week! We have enjoyed exploring our text of 'Supertato to the Rescue!' and the children are amazing at using actions and expression in their storytelling. We especially loved making our very own fruit and vegetable superheroes who will be starring in our very own stories next week and fighting against their nemesis – Evil Pea! Well done Year 2, we are so proud of you once again!

Lower KS2 'Highlight of the Week'

Year 3

Year 3 have been learning all about our bodies and nutrition this week. We have been naming some of the many bones and muscles in our bodies and have been exploring their functions. We have looked at food groups and nutrition, identifying the key nutrients that our bodies need and the food that this can be found in. Our wonderful gymnastics has continued in P.E, the children are now putting together some lovely fluid sequences too! Well done Year 3.

Year 4

Year 4 have been busy this week writing their own stories based on 'The Great Kapok Tree'. Lots of children took the structure of this story and wrote about something wanting to destroy a place and then changed the character changed their mind, like the man in 'The Great Kapok Tree'. This learning was extended to Geography lessons where children have been learning all about rainforests and the importance of them. Lots of children could not believe that people want to destroy rainforests, especially after learning all about the benefits they bring us!

Upper KS2 'Highlight of the Week'

Year 5

We have come to the end of Week 3 for this term and children in Year 5 continue to excel. This week children have loved our science lessons: exploring investigations linked to air and water resistance, friction and mechanisms. Alongside this, children have also done incredibly well in Maths and Reading – looking at multistep problems and our new poetry text respectively. Finally, in our writing children have started looking at our new wishing tale – The Giant.

Have a lovely and restful weekend.

P.S. Now only 9 weeks until Manchester!

Year 6

Well done Year 6 for working so hard this week! The children have started their booster club after school this week. Well done to those children who are coming along, and we would love to see more of you joining us for hot chocolate and some extra support with your learning!

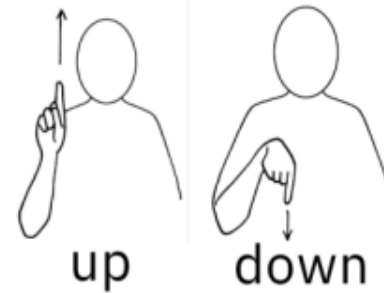

This week, Year 6 have received their homework books and are excited to get stuck into them. Keep up the hard work!

This week we have been retelling the story of the Hungry Caterpillar and exploring story props in English, painting pieces of fruit from the story in Art, learning about what different animals eat in Science, finding out where in the world different food comes from and how it travels to our plates and cooking cheese, vegetable and egg muffins in cooking.

◆ Important Safety Reminder for Families ★

We kindly ask that you do not park on the yellow school lines or at the top of the school drive near the school office during drop-off or collection times.

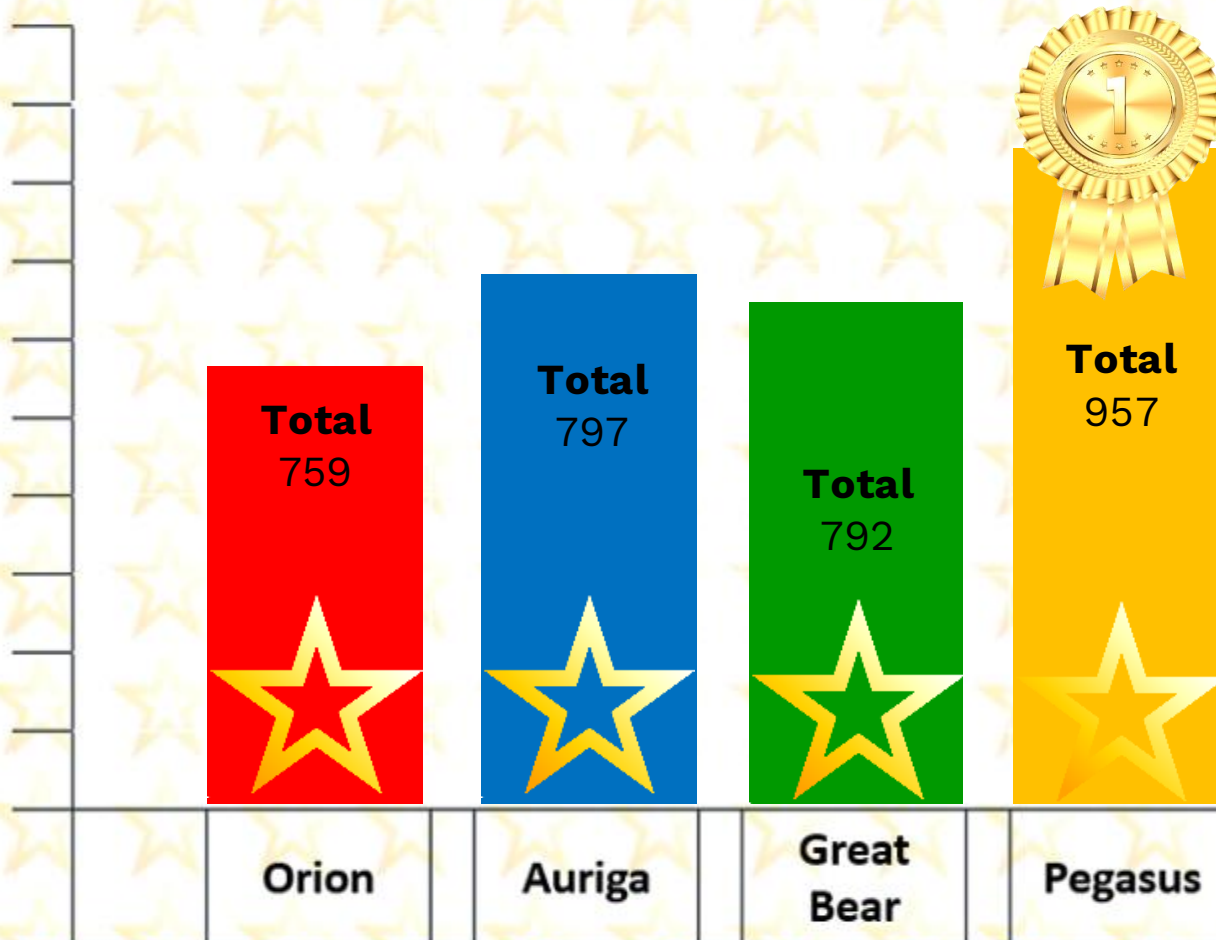

Parking in these areas **seriously compromises visibility** for children and other pedestrians crossing the road and **puts their safety at risk.**

Please help us keep all our children safe by parking responsibly and following school guidelines.

Thank you for your cooperation and support.

Penalty Notices

A guide to Education Welfare Services
for parents and carers

www.cornwall.gov.uk/togetherforfamilies

What is a Penalty Notice?

A Penalty Notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 12 school sessions /6 school days or more (within any 100 school session period) during term time, without authorisation from the school, for a holiday for example
- Unauthorised absence of 12 school sessions /6 school days or more (within any 100 school session period) of absence from school, either when a parent fails to provide an explanation, or an explanation is provided but the school consider it insufficient to authorise
- Unauthorised lateness of 12 school sessions /6 school days or more (within any 100 school session period), resulting from arrival at school after the register has closed

NB A Penalty Notice can be issued for any combination of the above reasons, where the unauthorised absence from school results in 12 sessions /6 school days or more (within any 100 session period)

Or, when:

- A pupil is observed in a public place during school hours, in the first five school days of a period of exclusion from school, without reasonable justification

Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

How much is a Penalty Notice fine?

A Penalty Notice carries a fine of £60.00 if paid within 21 days of issue, doubling to £120.00 if paid after 21 but within 28 days.

Attendance Information

Penalty Notices are issued per parent, per child.

Therefore, for example, if there are two parents and two children, the fines will total £240.00 if paid within 21 days and £480.00 if paid after 21 days but within 28 days.

Can a Penalty Notice be paid in instalments?

No. Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 323400**, or email educationwelfare@cornwall.gov.uk

How is a Penalty Notice paid?

Penalty Notices can be paid by card by calling the office on 01872 323400. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine.

If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

Cornwall Council may also apply for costs incurred in taking the matter to court.

End of day pickups

We all experience problems from time to time collecting at the end of school day, the long queue, stuck in a traffic jam etc, so if you find the playground empty when collecting your child at the end of the day, please collect them from wraparound – situated in Spaceship class via the Y2 playground.

IMPORTANT

Please can we remind all parents do not park, during drop off and collection, on the yellow Zigzags outside the school. This is for the safety of your children. Please help us keep our children safe.

A Polite Request.

If you need to get a message to your child during the school day, please call the main office before **2:30pm** to ensure the message is passed on.

IMPORTANT REQUEST

Can we please ask parents when collecting children from school that you do not park in the bays above the bungalows. We had one resident today that could not park her car near her bungalow and due to being disabled this caused problems for her. Thank you for being respectful to our neighbours.
