

Top story this week

Dear families,

What a glorious week it has been. Sunshine has filled Beacon and the children have certainly made the most of it. Our grounds have been full of laughter and those special moments of friendship that make our Beacon community feel so special.

The week began with great excitement as our Year 4 children set off on their City Adventure to Oxford. It truly lived up to its name, two days filled with awe, wonder, and the kind of memories that linger long after the bags are unpacked. A highlight for me was chatting with Cooper, who captured the spirit of the trip beautifully.

With a huge grin, he told me, “The science museum was my favourite thing, and we got to experience so much history. It was really good because our accommodation was amazing with an outdoor fireplace.” His enthusiastic retelling was a joy to hear. Our children were wonderful ambassadors for our Beacon, and the adults who accompanied them returned with full hearts and magical shared moments.

We also need to give a huge shoutout to our wonderful Year 6 children, who are working incredibly hard their determination is incredible to see, and we honestly couldn't be prouder of them.

As I mentioned last week, the summer term is bursting with exciting events, celebrations, and opportunities that make it one of our busiest times of the year. Please do take a moment to look at the dates below and pop them into your diaries so nothing gets missed.

You will also receive more information on Tuesday about our incredible Adventure Week. The plans are shaping up beautifully. As with previous years our children will have the chance to try a whole range of outdoor and adventurous activities, from surfing to hiking, biking to beach exploration, all aimed to help them step out of their comfort zones and discover new strengths. It promises to be a truly special week where our children will certainly focus on 'Being Brave'.

Lastly, I would we would like to wish good luck to our friends and families who are taking part in Ten Tors this week, raising funds for our school!

Wishing you all a wonderful long weekend and look forward to see our children back in school next Tuesday.

EYFS 'Highlight of the Week'

Nursery

In nursery this week, we have been continuing our story 'Farmer Duck'. We have developed our fine motor skills by independently painting our very own farm animals.

Pre-School

Pre-school have loved reading 'Red Rockets and Rainbow Jelly'. We have been immersing ourselves in the story by building magnetic rockets, sorting colour pom poms and even mixing our own coloured jelly

Reception

This week in Reception we have been immersing ourselves in our new Talk for Writing story 'Jack and the Beanstalk'. We all planted our own beanstalks with magic beans which we have taken home to watch grow. Within our independent learning, we have made beanstalks out of play dough and used our scissor skills to cut and stick the characters from the story.

KS1 'Highlight of the Week'

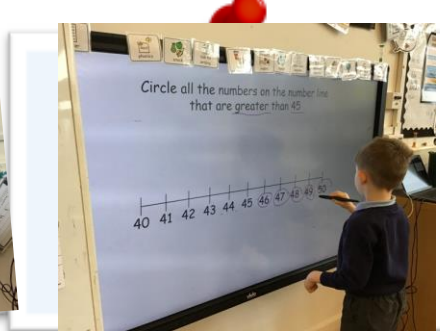

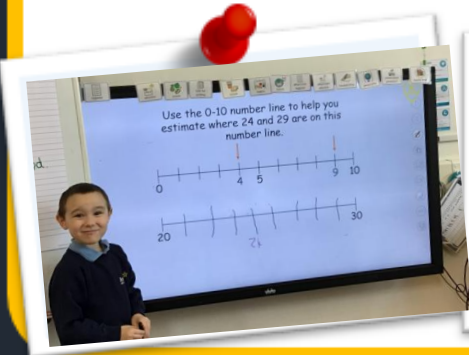

Year 1

Year 1 have had an incredible week of learning and enthusiasm! In geography, the children have been exploring capital cities, discovering their cultures and the different types of transport used within them. In English, they have immersed themselves further into our class text *Duffy's Ducky Escape*, bringing the story to life through role play, freeze frames, and collecting a wonderful range of vocabulary in preparation for their innovation next week. In PE, the class have shown great energy and determination as they began their athletics unit, getting ready for sports day. Well done, Year 1 -another amazing week. Keep shining brightly!

Year 2

Year 2 have had a busy week with some very exciting visitors from the Owl Sanctuary. We got to meet Hannah, Iggy, and Wheatley as well as stinky Pete. The children were so well behaved that they were allowed to say hello to the owls and give them a little stroke. The children learnt what the different types of owls eat and how they use their ears to catch their prey and when they sleep.

Lower KS2 'Highlight of the Week'

Year 3

We have had a great deal of fun this week!

In Discoverers class, we enjoyed our class treat – a 'wheely fun day' getting out and playing on scooters, skateboards, bikes and go karts. We have also been learning about simulations and touch typing in computing.

In Pioneers class, we have been composing beautiful music using the glockenspiels, using dot notation to represent these notes too.

Year 4

A busy and memorable week in Year 4. Children have had such a fantastic trip to Oxford, where they explored some of the city's most famous landmarks; including Carfax Tower, the historic colleges, and the well-known Bridge of Sighs. They also enjoyed an engaging visit to Science Oxford Centre, discovered more about faith and culture at a local synagogue, which links to their upcoming unit on Judaism and explored fascinating artefacts at the Ashmolean Museum! Throughout the trip, the children represented Beacon brilliantly, showing excellent behaviour and enthusiasm. Not only did they do all of this, they embraced new experiences with confidence and curiosity, and all the staff at Beacon are so proud of them!

Upper KS2 'Highlight of the Week'

Year 5

What a fantastic week we have had together in Year 5. Children have loved exploring our text linked to Harry Potter and planned some excellent innovations; in Maths they have amazed with their understanding of percentages and how they relate to decimals and fractions; in reading they have looked at how character traits are displayed in their text 'Survivors'; and all this alongside PE and RE.

Next week, children will get the chance to write their own defeating the monster tale as well as continuing to practise different athletic events for Sports Day next term.

Have a lovely and restful weekend.

Year 6

Wow! Year 6 we are absolutely blown away with how hard you are all working! You have shown perseverance and diligence with your revision – you should all be incredible proud of yourselves! One more week of revision to go; keep up the hard work!

We are busy planning lots of exciting opportunities to enjoy for after SATs week to look forward to!

ARB

This week we have thought about personal space, made art through popping bubble wrap with animals, exploring ocean and jungle habitat tuff trays in science and decorating tiger cupcakes in cooking. We have pretended to be the characters in our 'Dear Zoo' story and asked each other questions, explored vocabulary from the story, and created our own story maps.

Shine

The children have had a brilliant week. After a shopping trip to Morrisons, they learnt how to handle and prepare chicken safely and made homemade chicken goujons. They loved sitting together to make their wraps — and enjoyed every bite.

Penalty Notices

A guide to Education Welfare Services
for parents and carers

www.cornwall.gov.uk/togetherforfamilies

What is a Penalty Notice?

A Penalty Notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 12 school sessions /6 school days or more (within any 100 school session period) during term time, without authorisation from the school, for a holiday for example
- Unauthorised absence of 12 school sessions /6 school days or more (within any 100 school session period) of absence from school, either when a parent fails to provide an explanation, or an explanation is provided but the school consider it insufficient to authorise
- Unauthorised lateness of 12 school sessions /6 school days or more (within any 100 school session period), resulting from arrival at school after the register has closed

NB A Penalty Notice can be issued for any combination of the above reasons, where the unauthorised absence from school results in 12 sessions /6 school days or more (within any 100 session period)

Or, when:

- A pupil is observed in a public place during school hours, in the first five school days of a period of exclusion from school, without reasonable justification

Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

How much is a Penalty Notice fine?

A Penalty Notice carries a fine of £60.00 if paid within 21 days of issue, doubling to £120.00 if paid after 21 but within 28 days.

Attendance Information

Penalty Notices are issued per parent, per child.

Therefore, for example, if there are two parents and two children, the fines will total £240.00 if paid within 21 days and £480.00 if paid after 21 days but within 28 days.

Can a Penalty Notice be paid in instalments?

No. Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 323400**, or email educationwelfare@cornwall.gov.uk

How is a Penalty Notice paid?

Penalty Notices can be paid by card by calling the office on 01872 323400. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine.

If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

Cornwall Council may also apply for costs incurred in taking the matter to court.
