

## Top story this week

What a wonderful end to a very busy week. School has been full of laughter and joy today. As a school we have been raising money for comic relief, the children and staff look incredible and have certainly enjoyed taking part in various challenges to support this important campaign.

You will also be aware that our school was inspected by OFSTED on Tuesday and Wednesday this week. We are immensely proud of our school, incredible children and staff team. We are looking forward to sharing the outcome with you very soon. Thank you so much to our families who took the time to acknowledge their support, it is very much appreciated.

Wishing you a wonderful weekend.

## EYFS 'Highlight of the Week'★

### Nursery

This week in Nursery we have been learning the nursery rhyme 'Tommy Thumb'. We have continued with our story 'Barry the Fish with Fingers' and have been building caves using the wooden blocks for the fish to chase each other through.

We have been practising our scissor skills cutting out big bubbles, small bubbles, round bubbles and square bubbles for Puffy the Puffer fish.

### Reception

Reception have been fantastic writers this week! We have been innovating the story of 'The Gruffalo'. We have been thinking of new characters and settings for the story and how they could be described using adjectives. We have impressed all the adults with our amazing adjectives and retelling of our innovated versions!

Well done, Reception.

# BeBrave Believe BeBrilliant

## KS1 'Highlight of the Week'

### Year 1

Year 1 have been amazing designers this week as they have learnt how to create their very own pop-up book. They have used key mechanisms to make their books come to life and have blown us away with their ideas and creativity. They have used their growth mindsets to overcome challenges during the creating process.

### Year 2

Year 2 have had a brilliant week exploring the Geography of Cornwall. We've looked at the beautiful physical features and exciting human features that make this county a wonderful place to live and visit. We've designed postcards and posters to advertise our beautiful home and explored many amazing things that make this county unique!

## Lower KS2 'Highlight of the Week'

### Year 3

Year 3 have had another brilliant week exploring new topics of learning. This week we have been focusing in on writing our very own rags to riches tale based on a fairytale we already know. All the children have been working extremely hard on making them exciting and ensuring they have all areas on our toolkit included. Alongside writing, we have been learning all about the discovery of Tutankhamun's Tomb in History. The children have become really immersed in this topic and we can't wait to continue this next week!

Have a brilliant weekend Year 3!

### Year 4

Year 4 have had another fantastic week: they have thoroughly amazed when innovating their finding tales and produced some outstanding individual pieces of work; they have loved learning about the different types of teeth we have in Science and how they link to our digestive system; they continue to make great progress within their maths lessons within a difficult unit; and have loved beginning to explore their new text in reading.

However, the highlight this week came on Friday, when we came together to celebrate Red Nose Day as a school. It was lovely to see children dressed up for the charity and promoting awareness and money for this cause.

## Upper KS2 'Highlight of the Week'

### Year 5

What an amazing and busy week we have had here in Year 5. Everyone has been producing incredible independent applications for their 'Defeating the Monster Tale', letting their imaginations run free to develop some incredible tales featuring epic action.

Happy Red Nose Day everyone, we hope you have an incredible weekend, let's hope the sun comes back as the weather has been beautiful this week!

### Year 6

What another incredibly busy week we have shared together: children have begun to show some excellent innovation skills with their Wishing Tales; they have demonstrated great ability in being able to both multiply and divide decimal numbers; the poem of 'Charlotte Dymond' has got all children hooked in their reading lessons; and who can forget our experiments this week linked to shadows, light and how our eyes actually work.

Friday has been a particularly memorable day as it has been lovely to see so many children come together to celebrate Red Nose Day. Well done Year 6!

### Cosmonauts

We are once again incredibly proud of Cosmonauts' class this week. They have all been working hard not only on their learning activities but with their turn-taking and play skills as well. It has been a joy to see them all playing and working together and enjoying outdoor learning in the sun. What an amazing week and we all look forward to our exciting activities for next week.

## Attendance Information

### How is a Penalty Notice paid?

Penalty notices can be paid by card by calling the office on 01872 324201. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/ 28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

### What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine.

If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

**Cornwall Council may also apply for costs incurred in taking the matter to court.**

## Attendance Information

### What is a Penalty Notice?

A penalty notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 10 school sessions/5 days or more within any rolling 10 school week\* period during term time, without authorisation from the school. This can include unauthorised absence for a holiday.
- Unauthorised absence of 10 or more sessions/5 days within any rolling 10 school week\* period where a parent fails to provide an explanation for the absence, or where an explanation is provided but the school consider it insufficient to authorise the absence.
- Unauthorised lateness of 10 school sessions within any rolling 10 school week\* period, whereby a child arrives at school after the registers have closed.

**NB a penalty notice can be issued for any combination of the above reasons where there are 10 sessions/5 school days or more of unauthorised absence within any rolling 10 school week period. The unauthorised absence can be consecutive or non-consecutive and can span over two terms (including between academic years).**

Or when

- A pupil is observed in a public place during school hours in the first five school days of a period of exclusion from school, without reasonable justification.

\* a school week is any week in which a school meets at least once.

### Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

### How much is a Penalty Notice fine?

As of the 19th of August 2024, a penalty notice is £80 if paid within 21 days. If the fine is not paid in 21 days, it will rise to £160 if paid within 28 days of being issued.

If a second penalty notice is issued to the same parent for the same child within a three-year rolling period, the fine will automatically rise to £160 with no option to pay the lower rate of £80.

If a parent then commits a third offence in a three-year rolling period, Cornwall Council will need to consider other enforcement optional options available. This could include prosecution under section 444(1) or section 444(1A) of the Education Act 1996. If found guilty a parent would receive a criminal record and substantial fine.

### Penalty Notices are issued per parent, per child.

Therefore, if there are two parents and two children, the fines will total £320 if paid within 21 days or £640 if paid after 21 days but within 28 days (or for a second offence).

### Can a Penalty Notice be paid in instalments?

**No.** Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

### Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

### Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 324298**, or email [educationwelfare@cornwall.gov.uk](mailto:educationwelfare@cornwall.gov.uk)

### End of day pickups

We all experience problems from time to time collecting at the end of school day, the long queue, stuck in a traffic jam etc, so if you find the playground empty when collecting your child at the end of the day, please collect them from wraparound – situated in Spaceship class via the Y2 playground.

### IMPORTANT

We continue to be so proud of how well our children are responding to their learning and the progress they are making. In order to do this, it is so important that our children come to school with a positive attitude to learning in the correct school uniform and on time. Please talk to our team if we can help you with any aspect of this.

### A Polite Request.

If you need to get a message to your child during the school day, please call the main office before **2:30pm** to ensure the message is passed on.

### IMPORTANT REQUEST

Can we please ask parents when collecting children from school that you do not park in the bays above the bungalows. We had one resident today that could not park her car near her bungalow and due to being disabled this caused problems for her. Thank you for being respectful to our neighbours.

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formally delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit [nationalcollege.com](http://nationalcollege.com).

## What Parents & Educators Need to Know about STREAMERS

Livestreaming has become a big part of the entertainment people consume, and what began as a series of gamers sharing their screens has grown into a huge industry packed with personalities - and potential risks for your children. With over 2.5 million people watching Twitch, the most popular streaming service, at any one time, it's important to remain aware of the risks associated with streamers.

### WHAT ARE THE RISKS?

#### INAPPROPRIATE CONTENT

Some gaming streamers will stick to family-friendly titles, but others will play more violent games that tend to be more popular. Non-gaming streamers could, in theory, discuss just about anything, and some streamers will often stream in revealing outfits.

#### NEGATIVE INFLUENCES

While things have improved, streamers are often paid by companies to promote products, and this isn't always stated explicitly. While it's unlikely these goods will be harmful to your child, some streamers and influencers have engaged (knowingly or not) in scams in the past.

#### FINANCIAL HARM

Streamers will often have donation buttons on their screens for users to submit money. What can start as small amounts can quickly spiral as streamers engage with paying viewers more often, potentially leading to financial issues.

#### UNREALISTIC EXPECTATIONS

Influencers often showcase how glamorous their lives are, making some users feel as though they are lesser. However, it's important to stress that, in many ways, this is an act, and at the very least, not common. Logan Paul, who has been successful as a streamer and influencer, has a Pokemon card worth \$5 million, but this is a sliver of anyone working in the medium.

#### MISINFORMATION

Streamers are, in many ways, just like us - and they can get things wrong or reel off an opinion without having thought about it. Some can simply say awful things to get a rise out of viewers or to bring them to their side of a hot topic.

#### ADDICTION AND SCREEN TIME

If your child is watching a lot of a particular streamer, it can be just as damaging to their social life as playing too many video games.

## Advice for Parents & Educators

### EXPLAIN HOW STREAMING WORKS

For a younger viewer, being a streamer or influencer seems aspirational, but it involves a lot of work and no small degree of good fortune. Streamers are often managed and unable to speak freely due to sponsors, and influencers are just that - influencing young minds, for better or for worse.

### DO NOT LOG PAYMENT INFORMATION

Streamers can reward donations with additional content, on-camera 'shout outs' and more. If you're unsure about whether your child is watching, consider checking in regularly to ensure your children aren't watching content they shouldn't be.

### Meet Our Expert

Lloyd Coombes is the Games Editor of the Daily Star, and has been working in the gaming and tech industry for five years. A regular visitor to the App Store to try out new tech, he's also a parent and therefore understands the importance of online safety. He's also a tech and fitness writer and has been published at sites including iDn, TechRadar, and plenty more.

### CHECK OUT STREAMING PLATFORMS

While Twitch was the de facto streaming service for years, YouTube has gained popularity, too. Then there are Kick and Bumble, which have grown in popularity with moves for 'big-name streamers' - despite many being dogged by controversy.

### SET SCREEN TIME LIMITS

You can set screentime limits for mobile apps on iOS and Google, but with other platforms like PC, it may be more difficult to set limits. Consider checking in regularly to ensure your children aren't watching content they shouldn't be.
